Background:

Prior to providing funding for the provision of services to its local health system, the *Local Health System Integration Act, 2006* requires that the LHIN and the HSP enter into a service accountability agreement.

The service accountability agreement is a multi-year agreement. It supports a collaborative relationship between the LHIN and the HSP to improve the health of Ontarians through better access to high quality health services, to co-ordinate health care in local health systems and to manage the health system at the local level effectively and efficiently.

In this context, the HSP and the LHIN agree that the provision of services to the local health system by the HSP will be funded as set out in this Agreement.

 - (ii) Applicable Law;
- (b) When providing the Services, the HSP will meet the Performance Standards and Conditions identified in Schedule E, if Schedule E is included in this Agreement;
- (c) Unless otherwise provided in this Agreement, the HSP will not reduce, stop, start, expand, cease to provide or transfer the provision of the Services or change its Service Plan except with the prior written consent of the LHIN; and

3.2 Subcontracting for the Provision of Services.

- (a) Unless permitted in the Service Plan, the HSP agrees that the HSP will not subcontract the fulfillment of all or any part of the HSP's obligations under this Agreement without the prior written consent of the LHIN. Such consent will be in the sole discretion of the LHIN and may be subject to additional terms and conditions.
- (b) If the HSP is permitted to subcontract the provision of the Services, the HSP will make reasonable efforts to include in its subcontract, (i) provisions that permit the LHIN and the Auditor General to audit the subcontractor to the same extent as set out in provisions 8.3 and 8.6 of this Agreement; (ii) other provisions necessary for the HSP to fulfill its obligations under this Agreement; (iii) a provision that enables the subcontract to be assigned in the event that this Agreement is terminated; and (iv) a provision that permits the LHIN to revoke approval of the subcontractor without legal liability to either the HSP or the subcontractor.
- (c) If permitted to use subcontractors, the HSP will remain liable for obligations performed by a subcontractor to the same extent as if the HSP had performed such obligations. For the purpose of this Agreement work performed by the HSP's subcontractor will be deemed work performed by the HSP.
- (d) Nothing contained in this Agreement or a subcontract will create a contractual relationship between any subcontractor or its directors, officers, employees, agents, partners, affiliates or volunteers and the LHIN.

- 3.3 **Conflict of Interest.** The HSP will (a) avoid any Conflict of Interest in the performance of its contractual obligations; (b) disclose to the LHIN without delay any actual or potential Conflict of Interest that arises during the performance of its contractual obligations; and (c) comply with any requirements prescribed by the LHIN to resolve any Conflict of Interest. In addition to all other contractual rights or rights available at law or in equity, the LHIN may immediately terminate the Contract upon giving notice to the HSP where: (a) the HSP fails to disclose an actual or potential Conflict of Interest; (b) the HSP fails to comply with any requirements prescribed by the LHIN to resolve a Conflict of Interest; or (c) the HSP Conflict of Interest cannot be resolved. This paragraph will survive any termination or expiry of the Agreement.
- 3.4 **E-health/Information Technology Compliance.** The HSP agrees to comply with any technical standard related to architecture, technology, privacy and security set for health service providers by the MOHLTC or the LHIN within the timeframes set by the MOHLTC or the LHIN as the case may be.
- 3.5 **Policies, Guidelines Directives and Standards.** Either the LHIN or the MOHLTC will give the HSP notice of any amendments to the manuals, guidelines or policies identified in Schedule D. Amendments will be effective on the first Day of April following the receipt of the notice or on such other date as may be advised. By signing a copy of this Agreement the HSP acknowledges that it has a copy of the manuals, guidelines or policies identified in Schedule D.

ARTICLE 4 - FUNDING

4.1 **Funding.** The LHIN:

- (i) will provide the funds identified in Schedule B to the HSP for the purpose of providing or ensuring the provision of the Services;
- (ii) may pro-rate the funds identified in Schedule B to the date on which the Agreement is signed, if that date is after April 1; and
- (iii) will deposit the funds in instalments [once/twice] monthly over the Term of the Agreement, into an account designated by the HSP provided that the account resides at a Canadian financial institution and is in the name of the HSP.

4.2 **Limitation on Payment of Funding.** Despite section 4.1, the LHIN:

- (i) will not provide any funds to the HSP until the Agreement is fully executed;
- (ii) will not provide any funds to the HSP until the HSP meets the insurance requirements described in section 11.4;
- (iii) will not be required to continue to provide funds in the event the HSP breaches any of its obligations under this Agreement, until the breach is remedied to the LHIN's satisfaction; and
- (iv) may adjust the amount of funds it provides to the HSP in any Funding Year based upon the LHIN's assessment of the information contained in the Reports.

4.3 **Appropriation.** Funding under this Agreement is conditional upon an appropriation of moneys by the Legislature of Ontario to the MOHLTC and funding of the LHIN by the MOHLTC pursuant to the Act. If the LHIN does not receive its anticipated funding the LHIN will not be obligated to make the payments required by this Agreement and the LHIN may terminate the Agreement in accordance with section 12.1(b).

4.4 **Additional Funding.**

- (a) Unless the LHIN has agreed to do so in writing, the LHIN is not required to provide additional funds to the HSP for providing additional Services or for exceeding the requirements of Schedule E.

The Service Plan will be amended to include any approved additional funding.

4.5 **Conditions of Funding**

- (a) The HSP will:
 - (i) use the Funding only for the purpose of providing the Services in accordance with the terms of this Agreement;
 - (ii) spend the Funding only in accordance with the Service Plan; and
 - (iii) propose, achieve and maintain an Annual Balanced Budget.
- (b) "Annual Balanced Budget" means that, in each fiscal year of the term of this Agreement, the total expenses of the HSP are less than or equal to the total revenue, from all sources, of the HSP.
- (c) The LHIN may impose such additional terms or conditions on the use of the Funding which it considers appropriate for the proper expenditure and management of the Funding.

4.6 **Interest.**

- (a) Funding will be placed in an interest bearing account at a Canadian financial institution.
- (b) Interest Income must be used, within the fiscal year in which it is received, to provide the Services.
- (c) Interest Income will be reported to the LHIN and is subject to a year end reconciliation. In the event that some or all of the Interest Income is not used to provide the Services,
 - (i) the LHIN may deduct the amount equal to the unused Interest Income from any further Funding instalments under this or any other agreement with the HSP; and/or
 - (ii) the LHIN may require the HSP to pay an amount equal to the unused Interest Income to the Ministry of Finance.

4.7 **GST.** The HSP:

- (i) acknowledges that all GST rebates it anticipates receiving from the use of the Funding have been incorporated in its Budget;
- (ii) agrees that it will advise the LHIN if it receives any unanticipated GST rebates from the use of the Funding, or from the use of funding received from either the LHIN or the MOHLTC in years prior to this Agreement that was not recorded in the year of the related expenditure;

(iii) agrees that all GST rebates referred to in (ii) will be considered Funding in the year that the rebates are received, regardless of the year to which the rebate relates.

4.8 **Procurement of Goods and Services.** The HSP will have a procurement policy in place that requires the acquisition of supplies, equipment or services valued at over \$25,000 through a competitive process that ensures the best value for funds expended. If the HSP acquires supplies, equipment or services with the Funding it will do so through a process that is consistent with this policy.

4.9 **Disposition.** The HSP will not, without the LHIN's prior written consent, sell, lease or otherwise dispose of any assets purchased with Funding, the cost of which exceeded \$25,000 at the time of purchase.

ARTICLE 5 - REPAYMENT AND RECOVERY OF FUNDING

- (c) **On Reconciliation and Settlement.** If the year end reconciliation and settlement process demonstrates that the HSP received Funding in excess of its entitlement, the LHIN will require the repayment of the excess Funding.
- (d) **As a Result of Performance Management or System Planning.** If Services are adjusted, as a result of the performance management or system planning processes, the LHIN may adjust the Funding to be paid under Schedule B, require the repayment of excess Funding and/or adjust the amount of any future funding installments accordingly.
- (e) **In the Event of Forecasted Surpluses.** If the HSP is forecasting a surplus the LHIN may adjust the amount of Funding to be paid under Schedule B, require the repayment of excess Funding and/or adjust the amount of any future funding installments accordingly.
- (f) **On the Request of the LHIN.** The HSP will, at the request of the LHIN, repay the whole or any part of the Funding, or an amount equal thereto if the HSP:
- (i) has provided false information to the LHIN knowing it to be false;
 - (ii) breaches a term or condition of this Agreement and does not, within 30 Days after receiving from the LHIN written notice of the breach take reasonable steps to remedy the breach; or
 - (iii) breaches any federal or provincial law or regulation that directly relates to the provision of, or ensuring the provision of, the Services.
- (g) Subsections 5.1(c) and (d) do not apply to Funding already expended properly in accordance with this Agreement. The LHIN will, at its sole discretion, and without liability or penalty, determine whether the Funding has been expended properly in accordance with this Agreement

- 5.2 **Provision for the Recovery of Funding.** The HSP will make reasonable and prudent provision for the recovery by the LHIN of any Funding for which the conditions of Funding set out in subsection 4.5 are not met and will hold this Funding in accordance with the provisions of subsection 4.6 until such time as

reconciliation and settlement has occurred with the LHIN. Interest earned on Funding will be reported and recovered in accordance with subsection 4.6.

5.3 Settlement and Recovery of Funding for Prior Years.

(a) The HSP acknowledges that settlement and recovery of Funding can occur up to seven years after the provision of Funding.

(b) Recognizing the transition of responsibilities from the MOHLTC to the LHIN, the HSP agrees that if the parties are directed in writing to do so by the MOHLTC, the LHIN will settle and recover on behalf of the MOHLTC, and the HSP will enable the recovery of funding provided to the HSP by the MOHLTC in fiscal 2000/01 and every subsequent fiscal year up to and including 2006/07. All such settlements and recoveries will be subject to the terms applicable to the original provision of funding.

5.4 Debt Due.

(a) If the LHIN requires the re-payment by the HSP of any Funding the amount required will be deemed to be a debt owing to the LHIN by the HSP. The LHIN may adjust future funding instalments to recover the amounts owed or may, at its discretion direct the HSP to repay the amount owing to the LHIN

(b) All amounts repayable to the LHIN will be paid by cheque payable to the "Ontario Minister of Finance" and mailed to the LHIN at the address provided in section 13.1.

5.5 Interest Rate. The LHIN may charge the HSP interest on any amount owing by the HSP at the then current interest rate charged by the Province of Ontario on accounts receivable.

ARTICLE 6.0 - PLANNING & INTEGRATION

6.1 Planning for Future Years.

(a) **Advance Notice.** The LHIN will give at least sixty Days notice to the HSP of the date by which a Community Annual Planning Submission ("CAPS"), approved by the HSP's governing body, must be submitted to the LHIN.

(b) **Multi-Year Planning.** The CAPS will be in a form acceptable to the LHIN and will incorporate (i) prudent multi-year financial forecasts; (ii) plans for the achievement of performance targets; and (iii) realistic risk management strategies. It will be aligned with the LHIN's Integrated Health Service Plan and will reflect local LHIN priorities and initiatives. If the LHIN has provided multi-year planning targets for the HSP, the CAPS will reflect the planning targets.

(c) **Multi-year Planning Targets.** Schedule B may reflect an allocation for the first fiscal year of this Agreement as well as planning targets for up to two additional years, consistent with the Term of the Agreement. In such an event,

(i) the HSP acknowledges that if it is provided with planning targets, these targets are (A) targets only, (B) provided solely for the purposes of planning, (C) are subject to confirmation and (D) may be changed at the discretion of the LHIN. The HSP will proactively manage the risks associated with multi-year planning and the potential changes to the planning targets.

(i) the LHIN agrees that it will communicate any material changes to the planning targets as soon as reasonably possible.

(d) **Service Accountability Agreements.** The HSP acknowledges that if the LHIN and the HSP enter into negotiations for a subsequent service accountability agreement, funding may be interrupted if the subsequent accountability agreement is not executed on or before the expiration date of this Agreement.

6.2 Community Engagement & Integration Activities

(a) **Community Engagement.** The HSP will engage the community of diverse persons and entities in the area where it provides health services when setting priorities for the delivery of health services and when developing plans for submission to the LHIN including but not limited to CAPS and integration proposals.

(b) **Integration.** The HSP will, separately and in conjunction with the LHIN and other health service providers, identify opportunities to integrate the services available to the local health system to provide appropriate, co-coordinated, effective and efficient services.

(c) **Reporting.** The HSP will report on its community engagement and integration activities as requested by the LHIN, and in any event, in its year end report to the LHIN.

6.3 Planning and Integration Activity Pre-proposals

6.3.1 **General:** A pre-proposal process has been developed to (i) reduce the costs incurred by an HSP when proposing operational or service changes; (ii) facilitate the HSP to carry out its statutory obligations; and (iii) enable an effective and efficient response by the LHIN. Subject to specific direction from the LHIN, this pre-proposal process will be used in the following instances:

- (i) the HSP is considering an integration or an integration of services, as defined in the Act between the HSP and another person or entity; or
- (ii) the HSP is proposing to reduce, stop, start, expand or transfer the location of Services; or
- (iii) to identify opportunities to integrate the services of the local health system, other than those identified in (i) or (ii) above; or
- (iv) if requested by the LHIN.

6.3.2 **LHIN Evaluation of the Pre-proposal:** A pre proposal is not formal notice of a proposed integration under s. 27 of the Act. LHIN consent to develop the project concept outlined in a pre-proposal does not constitute approval to proceed with the project. Nor does LHIN consent presume the issuance of a favourable decision, should such a decision be required by section 25 or 27 of the Act. Following the LHIN's review and evaluation, the HSP may be invited to submit a detailed proposal and a business plan for further analysis. Guidelines for the development of a detailed proposal and business case will be provided by the LHIN.

6.4 **Proposing Integration Activities in the Planning Submission.** No integration activity described in subsection 6.3 may be proposed in a CAPS unless the LHIN has consented, in writing, to its inclusion pursuant to the process set out in 6.3.2

6.5 **Definitions.** In this section 6.0 the terms "integrate", "integration" and "services" have the same meanings attributed to them in subsection 2(1) and section 23 respectively of the Act. Specifically:

- (i) "integrate" includes,
 - (a) to co-ordinate services and interactions between different persons and entities,
 - (b) to partner with another person or entity in providing services or in operating,
 - (c) to transfer, merge or amalgamate services, operations, persons or entities,
 - (d) to start or cease providing services,
 - (e) to cease to operate or to dissolve or wind up the operations of a person or entity,

and "integration" has a similar meaning; and

- (ii) "service" includes,
 - (a) a service or program that is provided directly to people,
 - (b) a service or program, other than a service or program described in clause (a), that supports a service or program described in that clause, or
 - (c) a function that supports the operations of a person or entity that provides a service or program described in clause (a) or (b).

ARTICLE 7.0 – PERFORMANCE IMPROVEMENT PROCESS

- 7.1 **Performance.** The parties will strive to achieve on-going performance improvement. They will address performance improvement in a proactive, collaborative and responsive manner.
- 7.2 **Performance Factors.**
- (a) A "Performance Factor" is any matter that could, or will, significantly affect a party's ability to fulfil its obligations under this Agreement;
 - (b) Each party will notify the other party of the existence of a Performance Factor, as soon as reasonably possible. The notice will:
 - (i) describe the Performance Factor and its actual or anticipated impact;

 - (iii) indicate whether the party is requesting a meeting to discuss the Performance Factor; and
 - (iv) address any other issue or matter the party wishes to raise with the other party.
 - (c) The recipient party will provide a written acknowledgment of receipt of the notice within seven Days of the date on which the notice was received ("Date of the Notice").
 - (d) Where a meeting has been requested under 7.2(b) (iii), the parties agree to meet and discuss the Performance Factors within fourteen Days of the Date of the Notice, in accordance with the provisions of subsection 7.3
- 7.3 **Performance Meetings**
- (a) During a meeting on performance, the parties will:
 - (i) discuss the causes of a Performance Factor;
 - (ii) discuss the impact of a Performance Factor on the local health system and the risk resulting from non-performance; and
 - (iii) determine the steps to be taken to remedy or mitigate the impact of the Performance Factor (the "Performance Improvement Process").
- 7.4 **The Performance Improvement Process.** The Performance Improvement Process will focus on the risks of non-performance and problem-solving. It may include:
- (i) a requirement that the HSP develop and implement an improvement plan acceptable to the LHIN and that maximizes overall performance while achieving a balanced budget over a fixed multi-year term;
 - (ii) a revision and amendment of the HSP's obligations; and or
 - (iii) an in-year, or year end, adjustment to the Funding;

among other possible means of responding to the Performance Factor or improving performance.

ARTICLE 8 - REPORTING, ACCOUNTING AND REVIEW

8.1 Reporting

(a) **Generally.** The LHIN's ability to enable its local health system to provide appropriate, co-ordinated, effective and efficient health services as contemplated by the Act, is heavily dependant on the timely collection and analysis of accurate information. The HSP acknowledges that the timely provision of accurate information related to the HSP is under the HSP's control.

If the HSP is not required to provide services to the public in French under the provisions of the *French Language Service Act*, it will be required to provide a report to the LHIN that outlines how the HSP addresses the needs of its local Francophone community.

(d) **Financial Reductions.** Notwithstanding any other provision of this Agreement, and at the discretion of the LHIN, the HSP may be subject to a financial reduction in any of the following circumstances:

- (i) its CAPS is received after the due date;
- (ii) its CAPS is incomplete;
- (iii) the quarterly performance reports are not provided when due; or
- (iv) financial and/or clinical data requirements are late, incomplete or inaccurate,

where the errors or delay were not as a result of LHIN actions or inaction. If assessed, the financial reduction will be as follows:

- (v) if received within 7 days after the due date, incomplete or

inaccurate, the financial penalty will be the greater of (i) a reduction of 0.02 percent (0.02%) of the funding identified on Schedule B; or (ii) two hundred and fifty dollars (\$250.00); and

(b) The cost of a financial audit, review or investigation will be borne by the HSP. The cost of any other form of audit review or investigation will be borne by the HSP if the audit review or investigation determines that the HSP has not fulfilled its obligations under this Agreement.

(c) HSP's obligations under this paragraph will survive any termination or expiration of the Agreement.

8.3 Document Retention and Record Maintenance. The HSP agrees

- (i) that it will retain all records (as that term is defined in the *Freedom of Information and the Protection of Privacy Act*) related to the HSP's performance of its obligations under this Agreement for seven (7) years after the termination or expiration of the term of the Agreement. The HSP's obligations under this paragraph will survive any termination or expiry of the Agreement;
- (ii) all financial records, invoices and other financially-related documents relating to the Funding or otherwise to the Services will be kept in a manner consistent with generally accepted accounting principles and clerical practices; and

- (iii) all non-financial documents and records relating to the Funding or otherwise to the Services will be kept in a manner consistent with all Applicable Law.

- (i) an acknowledgment of the Funding provided by the LHIN and the Government of Ontario. Prior to including an acknowledgment in any publication, the HSP will obtain the LHIN's approval of the form of acknowledgment. The LHIN may, at its discretion, decide that an acknowledgment isn't necessary; and
 - (ii) a statement indicating that the views expressed in the publication are the views of the HSP and do not necessarily reflect those of the LHIN or the Government of Ontario.

ARTICLE 10 – REPRESENTATIONS, WARRANTIES AND COVENANTS

B. Advancement of the Integrated Health Services Plan (IHSP)

- **Mental Health & Addictions:** Reduce wait lists by linkages with other community agencies i.e.: a physically disabled individual with mental health needs receives our services, Partnerships with CMHA around accessible housing and services to people with mental health and addictions (See City of K.L. H-SIP).
- **Wait Times and Critical Care:** Freeing up ALC and Long Term Care Home beds by tailoring individualized services to right level of support needed in community (St. Peter's Project Peterborough has filled seven Supportive Housing units with people prematurely placed in LTC Homes and those waiting in ALC beds for LTC. www.kpp.ca);
- **Seamless Care for Seniors:** Providing the Right Service in the Right Place at the Right Time for people with physical disabilities and so implementing 'aging at home' and 'aging in place'(Supportive Housing and Attendant Outreach Services maintain people with physical disabilities in their homes and communities with the level of

support they require to 'age in place' without having to move to receive appropriate services and keep them out of ALC and LTC Home beds);

- **Chronic Disease Prevention and Management:** Supportive housing and Attendant Outreach Services support people to both prevent chronic disease and manage it 'at home' thereby greatly decreasing dependence on acute or LTC services.
- **Coordination of Care/Services:** Coordinated access to Supportive Housing services in Peterborough ensures one stop access for modified, accessible and affordable housing linked to support services. Working in partnership with other agencies ensures coordination of self-defined 'right' services by the 'right' service provider while the person with a disability receives 'seamless service'. (Refer to Myrtle Terrace Project as an example www.kpp.ca)

Engagement (section 16.6 of Local Health System Integration Act)

- KPP develops it's agency goals and reviews the results with a broad range of partners including clients, partnering agencies, employees, union reps., volunteers, Boards of Directors, funding partners including the LHIN, MMAH, and Municipalities to ensure our goals meet the needs of our clients and the communities in which KPP operates. Further KPP has volunteer Board Directors which reside in the communities we serve and are the link to bring the communities needs forward to any agency planning event i.e. Strategic Plan, Annual Operational plans, etc.
- Working with other colleagues to ensure that Canada works toward ratification of the ***United Nation's Convention on the Rights of Persons with Disabilities***
INTEGRATION OF SERVICES WWW.UN.ORG/DISABILITIES AND WWW.CNDD.CA

- See Myrtle Terrace, which is an integration/partnership Project. www.kpp.ca
- An H-SIP has been submitted to the LHIN for funding to integrate office space in the City of K.L.

The *results and impacts* of community engagement and integration activities.

- Myrtle Terrace moved two people back into the community from Long Term Care as they were prematurely placed in LTC;
- St. Peter's Project will move 7 people out of LTC & ALC beds back into the community allowing spaces in ALC beds to be utilized for acute care to address Emergency room pressures;
- Integration of office space in the City of K.L. will enable the conglomerate of agencies to share Reception services, boardroom space, provide joint training opportunities across agencies, share office equipment and costs, etc.

C. Situation Analysis

- KPP is a registered not-for-profit charity that follows CRA guidelines and file a T3010 return at the end of each fiscal year;
- Funds raised through fundraising efforts are spent in accordance with CRA guidelines, must honour contracts with other funding bodies.
- Board of Directors' partnership with senior team to develop prudent goals

Chronic funding issues (not new):

- "In Ontario there is unmet need, extensive wait lists and long wait times for Attendant Services for persons with physical disabilities." (*Unleashing Attendant Services: Enhancing People's Potential, Reducing Wait Times in Acute and Long-Term Health Care* – released by Ontario Community Support Association Aug. 13th, 2008)
- Ted Arnott, MPP for Wellington Dufferin tabled the following private member's resolution in the legislature on October 30th, 2008 which was supported by all parties: "I move that, in the opinion of this House, the government of Ontario should address immediately the crisis facing physically disabled Ontarians who are waiting four to 10 years for attendant services by adding attendant services to the provincial wait times strategy and by instituting individually based funding for all physically disabled persons requiring attendant care."

Human Resource Challenges

- Recruitment and retention remain a long-standing issue in our sector as we struggle to compete with LTC Home salary and benefits far superior to our abilities to pay.

Assumptions and Rationale:

H-SIPS submitted to the LHIN to address HR inequities and long wait lists for services. Service volumes for Attendant Outreach are based on risk management strategies and could increase if the LHIN funds inequities via H-SIPS.

Significant Budget and Operational risks:

Current 3 year Collective Agreement increases must be met to avoid litigation &/or work interruption which would have a very negative affect on our clients.

Supportive housing funding will be protected by KPP to ensure the safety and continuity of support to this most vulnerable client.

See assumptions and rationale to explain strategies to manage risk identified. In addition to advocating for funding to manage our risks, KPP will consider additional strategies throughout the term of the agreement to maintain services within its performance standard.

D. Evaluation of Prior Year Performance

No CAPS submitted last year nor any other budget submitted in the 2007-2008 year.

- ❖ An explanation of any significant variances or changes between planned and actual results in:
 - Total expenditure-No significant variance.
 - Total revenue- No significant variance.
 - Clients served by service- No significant variance.
 - Units of service by service- Provided 5,561 units (hours) of service less in Attendant Outreach than approved budget due to staff recruitment challenges in rural areas to begin service and we are cash managing unfunded increased hours of service in Supportive Housing due to degeneration of client conditions/aging in place.
 - Cost per unit of service- No significant variance.
 - Cost per client by service-Average cost per client in Attendant Outreach decreased due to increased clients & decrease in average number of hours of service provided per client over the 07-08 year.

Significant variance is defined as a +/- 10% variation from approved amounts.

E. Changes to Operations Summary (Optional)

Clients and units of service in Attendant Outreach are reduced to fund Collective Agreement commitments not yet funded by the LHIN although an enhancement HSIP has been submitted to cover these costs and if approved the clients and units of service will be increased accordingly. Budget balancing alternatives in the CAPS guidelines have been evaluated and still the need to reduce service to mitigate risk continues. We have directed our limited resources to maintain the most vulnerable clients, namely those in Supportive Housing Services.
